Linda

Kh'hob Dem Gloybn

Drilled each section, then sang whole song.

Clarifications:

Measure 55: Second syllable "flt" has no vowel

Measure 58: Sopranos sing "kem" on the first two notes then sing "fers far ba" on the remaining three notes.

A Shtik Fun Harts

Drilled and sang whole song.

Avoid sounding complacent instead of urgent

Watch Leybl to keep the tempo

Vowels and rs are sounding English; make rounder

Reminder: stage whisper at C and E.

Hof Un Gloyb

Drilled and sang whole song.

Measures 11 and 19 tenors and basses: Connect and sing out the two Gloyb Gloybs as if you believe, which is what gloyb means!

Der Yokh

Drilled whole song, especially the verse at tempo.

Barikadn

Drilled tempo---feel it and internalize it.

Get the words familiar and comfortable in your mouth--the tempo is fast!

Maskilik Medley Part 1

Measures 11 and 12: delete bass notes

Every time we come in after a measure of rest, breathe on beat 4 before singing.

We will not sing the notes on Page 9.
