Toward the golden sunrise, my golden wheat is rising.
Toward the golden sunrise, my golden happiness is rising.
New horizons call me and excite me,
I sing new songs, a Jewish farmer.

Kegn gold fun zun geyt oyf mayn gold fun veytsn,
Kegn gold fun zun geyt oyf mayn goldn glik.
Naye horizontn rufn mikh un reytsn,
Naye lider zing ikh, yidisher muzhik.

The work goes joyfully from very early until evening.
The sun is my factory whistle, the field my factory.
Yesterday, my neighbors were distant, now so near,
Ukrainian peasant and Jewish farmer.

Geyt di arbet freylekh fun gants fri biz ovnt,
Zun iz mayn hudok, un feld iz mayn fabrik,
Nekhtn shkheynim vayte — haynt shoyn azoy noent,
Ukrayiner poyer, yidisher muzhik.
