

*Kil-baḥar iss-salam ya ḥabibah*

*Nafsu tahmi raḥibah (2x)*

كالبحر السلام يا حبيبة

نفس تهمني رحية

Like an ocean - peace, my love  
has a wide embracing soul

*Fi zaman ilmad yi'alu*

*ba'ada ayamin al'assibah*

فيه زمان المد يعالو

بعد أيام عصبية

There are times of ebb and flow  
In days of struggle and of sorrow

*Bein ra'adieh wa-'awassif*

*ajtali kanz il 'awattif ya habibah*

بين الرعدية وعواصف

اجتلي كنز العواطف يا حبيبة

Between the storm and thunder  
A treasure of emotions is revealed, my love

*Zaman as-salam (3x)*

*In sha'allah*

زمان السلام

ان شاء الله

It's time for peace  
God willing

*Zeh hazman ani yodei'a*

*Shehalev mitga'agei'a*

זה הזמן אני יודע

שהלב מתגעגע

The time has arrived, I know it

That the heart is yearning

*Kmo kokhav boded bageshem*

*Sham lema'lah barki'a*

כמו כוכב בודד בגשם

שם למעלה ברקיע

Like a star, alone in the rain

Up above in the sky

*Bein brakim tofi'a keshet*

*Ve-eda' shezeh hazman*

בין ברקים תופיע קשת

ואדע שזה הזמן

After the lightning, a rainbow will appear

And I'll know, that it's time
